iPad Case

CNL-CNBC10I

This case is a convenient and versatile solution for carrying your iPad, with a sleek and minimalist design. Its rugged exterior is designed to protect your iPad against scratches and excessive wear. It was also designed to double as an adjustable viewing stand. The case also features a zipper closure and velvet lining on the inside for added protection. It is compact and lightweight, and it fits easily into another bag keeping your iPad intact while you are on the go. Part of Canyon's Chrome Series.
